One month application deadline on all trips unless otherwise noted. \$250 application fee for all trips unless otherwise noted. The trip fee includes room and board, bottled water, outreach participation costs, and daily transportation to outreaches, when applicable. Trip fee excludes travel to destination, visas, vaccinations, and excursion costs. Team members will be required to cover the cost of internal flights booked by H4KI in Nepal and Namibia. The COVID19 vaccine is no longer required for participation on trips, but is recommended for international travel. Out of an abundance of caution for the people we are serving, H4KI asks all team members to bring two COVID19 tests and carry a few masks on your trip. If you choose to travel when sick with any respiratory illness, or become sick on your trip with influenza, RSV, or COVID19, you may be asked to wear a mask and/or take other precautions.

For more information regarding trips, including excursion details and respiratory testing requirements, please contact us at [teams@h4ki.org](mailto:teams@h4ki.org).
